

The diagram shows a cross-section of a road surface with a central dip. A car is positioned in the center of the dip. To the right of the car is a tree. The road surface is shown in grey, and the ground beneath it is also grey. The sky is blue with white clouds. The dimensions are indicated by arrows at the bottom: 0.5m from the left edge to the center, 5.5m from the center to the tree, and 2m from the tree to the right edge. The total width of the road is 8m.

Figure 1 illustrates the layout of the road. The road width is 14.5m, divided into five sections: 2.7m, 3.65m, 3.65m, 3m, and 1.5m. The road is flanked by trees and a sidewalk. The road surface is shown in cross-section, with a yellow line indicating the edge of the road. The road is flanked by trees and a sidewalk. The road surface is shown in cross-section, with a yellow line indicating the edge of the road.
