Dear Stephen Davis

In reference to LINDUM Vale Precinct Structures plans

In 2006 we brought the land under a green wedge zone , Its semi rule , Low density living , To the rear of [Redacted] We don't want the subdivision on our rear fence, You have planned a residential interface , that's fine but we want a buffer zone approx. 30 meters of native trees and bush land .

Along Mt Ridley rd there is large amounts of vegetation part of that can be reduced and relocated to the rear of billabong cl.
