The Victorian Planning Authority (VPA) and Cardinia Shire Council will host drop-in information sessions about the PSP on:

**6 February 2018, between 4:30pm-6:00pm**
Address: Pakenham Library
Cnr John Street and Henry Street, Pakenham, VIC 3810

**15 February 2018, between 5:30pm-7:00pm**
Address: Pakenham Library
Cnr John Street and Henry Street, Pakenham, VIC 3810

The drop-in information session will give you an opportunity to discuss the plan with the VPA and Council. If you are unable to attend but still wish to discuss the plan, please contact us to arrange a separate meeting time.

Marcelle Bell, Growth Area Strategic Planner
Cardinia Shire Council
Ph: (03) 5945 4287
Email: m.bell@cardinia.vic.gov.au

The Pakenham East Precinct Structure Plan (PSP) has been prepared by the Cardinia Shire Council (Council) and the Victorian Planning Authority (VPA), in consultation with government agencies, service authorities and major stakeholders.

The PSP applies to approximately 630 hectares of land generally bounded by Deep Creek and Ryan Road to the west, Mount Ararat Road North and South to the east and the Princes Freeway to the south. The northern boundary of the Precinct dissects a number of properties south of Seymour Road.

Pakenham East will be a self-sustaining and predominantly residential community that complements the existing Pakenham Township and urban form. Pakenham East will support one local town centre and a local convenience centre, and two local sports reserves offering a variety of sport and recreation opportunities. The area will also include two government primary schools, a government secondary school, a non-government primary school, and a range of local parks and waterways within walking distance of residents.

**THE PLAN**

The Pakenham East Future Urban Structure Plan is shown overall and broadly establishes the land uses, infrastructure and facilities required within the precinct. The PSP will guide the future urban development of Pakenham East.
Vision

The Pakenham East precinct will provide residents with a distinctive urban environment influenced by the landscape, vegetation and heritage features of the area. Development will respond to the area’s landscape values by retaining key hilltops and viewing points within parks, protecting and enhancing Deep Creek and Hancock’s Gully, retaining significant vegetation, protecting areas of cultural significance and ensuring that development adjacent to land uses surrounding the precinct are sensitively designed.

The precinct will have a high amenity urban environment that responds to the natural landscape through the provision of well-designed streets, with comprehensive cycling and bus capable networks to key destinations.

The residential community of Pakenham East will be serviced by commercial, education and community facilities developed in appropriately scaled, vibrant local town and convenience centres and community hubs across the precinct. The plan will create compact and vibrant residential communities with walking distance of these services and facilities, while the main ridgeline provides an opportunity to deliver a variety of lot sizes and housing types that will sensitively respond to these distinct landscape features.

An extensive network of public transport, pedestrian and cycling paths will provide connections to the existing urban area of Pakenham and nearby employment opportunities.

The precinct will ultimately support approximately 7,100 dwellings and a population of between 20,000-22,000 people.

The Infrastructure Contributions Plan

The Pakenham East Infrastructure Contributions Plan (ICP) will fund basic and essential local infrastructure for the precinct such as intersections with the Princes Highway, community facilities, local parks and sports reserves.

A plan showing the location of funded local infrastructure items (i.e. ICP items) can be viewed within the Pakenham East PSP.

The Pakenham East ICP will be incorporated into the Cardinia Planning Scheme via a separate amendment.

Implementing the plan – proposed changes to the Cardinia Planning Scheme

The amendment proposes changes to the Cardinia Planning Scheme to facilitate the development of land within the Pakenham East precinct in accordance with the vision for urban growth outlined in the Pakenham East PSP.

Specifically the amendment proposes the following changes to the Cardinia Planning Schemes:

- Introduces Schedule 5 to 37.07 Urban Growth Zone (UGZ) and rezones the majority of the land within the precinct to UGZ.
- Introduces Schedule 8 to the Special Use Zone (SUZ8) and rezones land within the transmission line easement to SUZ8. The SUZ8 includes land use and development controls to facilitate the development of the land generally in accordance with the incorporated Pakenham East Precinct Structure Plan.
- Introduces Schedule 5 to 37.07 Urban Growth Zone (UGZ) and rezones the majority of the land within the precinct to UGZ. This schedule includes controls to facilitate land use and development generally in accordance with the incorporated Pakenham East Precinct Structure Plan.
- Introduces Schedule 8 to the Special Use Zone (SUZ8) and rezones land within the transmission line easement to SUZ8. The SUZ8 includes land use and development controls to facilitate the development of the land generally in accordance with the PSP.
- Rezones land within the amendment area and within 50 - 100 metres of the outline of the Deep Creek to Rural Conservation Zone Schedule 2 (RCZ2).
- Introduces Clause 32.07 Residential Growth Zone (RGZ). This will allow the use and development controls in the RGZ to be applied to the precinct via the UGZ.
- Amends the Schedule to the Heritage Overlay to insert HO275, HO276 and HO277 to apply heritage controls to the following heritage places identified in the East Pakenham Precinct Post-Contact Heritage Assessment, October 2017:
  - HO275 - ‘Carinya’, 32 Mount Ararat South Road, Nar Nar Goon
  - HO276 - 140 Ryan Rd, Pakenham
  - HO277 - Pyrus communis (Pear Tree), 40 Dore Road, Pakenham
- Applies HO275, HO276 and HO277 to the three heritage sites described above.
- Introduces Schedule 2 to the Incorporated Plan Overlay (IPO2) and applies the IPO2 to land rezoned RCZ2 as part of this amendment. The IPO2 will ensure that use and development within the RCZ2 is carried out generally in accordance with the PSP.
- Deletes Environmental Significance Overlay Schedule 1 (ESO1) from land within the amendment area.
- Deletes the Design and Development Overlay Schedule 1 (DDO1) from land within the amendment area.
- Deletes the Vegetation Protection Overlay Schedule 1 (VPO1) from land within the amendment area.
- Amends the Schedule to Clause 52.16 to include reference to the Pakenham East Native Vegetation Precinct Plan.
- Amends the Schedule to Clause 61.01 to update the planning scheme maps.
- Amends the Schedule to Clause 66.04 to require referrals for planning permit applications within the Pakenham East Local Town Centre to the Victorian Planning Authority.
- Amends the Schedule to Clause 66.06 to require notice to be given to the licensee for certain uses within the gas pipeline measurement lengths within the amendment area.
- Amends the Schedule to Clause 81.01 to include three new incorporated documents titled:
  - Pakenham East Precinct Structure Plan, December 2017;
  - Pakenham East Native Vegetation Precinct Plan, December 2017; and
  - Small Lot Housing Code, August 2014

Note:

The Pakenham East Infrastructure Contributions Plan (ICP) will be introduced via a separate amendment and will introduce the associated Infrastructure Contributions Plan Overlay into the Cardinia Planning Scheme and associated Schedule 1 (ICP01), applying it to land within the amendment area.
