To whom it concerns,

I would like to write to say that I am not happy with the proposal for the Pakenham East Precinct. I am a resident in Nar Nar Goon and I believe that you have not taken in to consideration the problems this may cause for our town. The plan is not looking forward to the future enough. The extra traffic in the town, the extra people wanting to use NNG railway and the destruction of the fragile environments is disappointing. Yet again, developers want to make a quick buck, but don't think about the future issues that they cause by not planning out these projects properly.

Thank you
