

**Plan 5: Future Urban Structure (page 25)**

- New hatching/colour over Leber Reserve
- Update legend to include '*Potential open space/community facilities (subject to DELWP approval)*'

**Plan 6: Land Use Budget (page 30)**

- Add a note at the bottom of the legend '*The uncredited open space on Property 280 has potential to be used as open space/community facilities (subject to DELWP approval)*'

**Table 5: Image Character and Design Guidelines CA6 – Leber Conservation Reserve (page 40)**

- Dot point 2 – amend to read '*Provide for a range of passive recreation or community facilities, outside areas where vegetation is to be retained (refer Officer NVPP)*';

**Table 10a – Officer Major Activity Centre (page 67)**

- In 'Planning and Design Guidelines which should be met' add additional dot point– '*Where Leber Reserve is used as open space (subject to the approval of DELWP), it should incorporate civic uses or a range of passive recreation facilities*'

**Figure 6a: Officer Town Centre Concept Plan (page 75)**

- New hatching/color over Leber Reserve
- Update legend to include '*Potential civic/ local park area (subject to DELWP approval)*'

**Plan 10: Community facilities (page 89)**

- New hatching/color over Leber Reserve
- Update legend to include '*Potential civic/ local park area (subject to DELWP approval)*'

**Plan 11: Open Space Network (page 97)**

- New hatching/color over Leber Reserve
- Update legend to include '*Potential for Ecological Vegetation Classes (EVCs) to be removed (subject to DELWP approval)*'

**Table 13: Open Space Categories (page 100)**

- Under 'Location' update the reference to Leber Reserve in 'Conservation Reserve' to include the additional words '*and has potential to be open space/community facilities (subject to the approval of DELWP)*'.

**Table 14: Open Space Planning and Design Guidelines (page 102)**

- Under Conservation Reserve, in 'Planning and Design Guidelines which should be met' at the first dot point add the words '*unless otherwise approved by DELWP*'.

**Plan 13: Biodiversity Management (page 108)**

- New hatching/color over Leber Reserve
- Update legend to include '*Potential for Ecological Vegetation Classes (EVCs) to be removed (subject to DELWP approval)*'

**Table 15: Biodiversity Planning and Design Guidelines (page 109)**

- Under 'General' add these additional words to 'Planning and Design Guidelines that must be met' – '*(except for those areas of Leber Reserve to be used as open space/community facilities (subject to the approval of DELWP))*'
