Dear Elizabeth

Melton C201 - Mt Atkinson ICP

Tract Consultants Pty Ltd continues to represent the owners of [REDACTED].

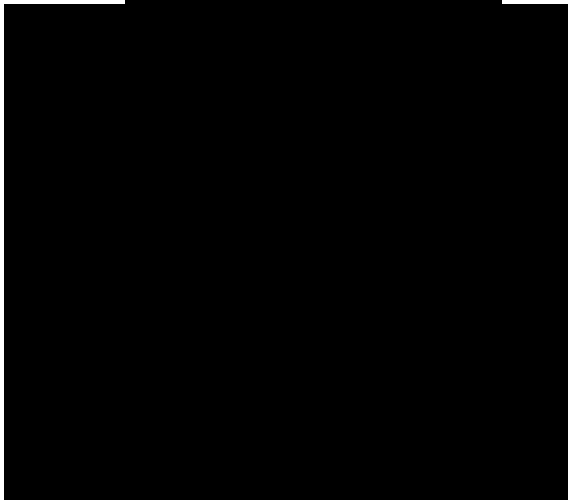

Our client has recently received notice that the proposed supplementary levy to road and transport infrastructure is proposed to increase from the Exhibited \$2,800 p.Ha to \$10,800 p.Ha.

Respectfully, our client has not had sufficient time to review the costings associated with the proposed changes before the close of submissions 10 May 2019.

We confirm that they have referred the revised costings to their civil engineer for review and we expect to have feedback over the next two weeks (24 May 2019).

Accordingly, we write to reserve our clients right to make further submission pending that review.

Please do not hesitate to contact me to discuss any matter as required on [REDACTED].
