To the Victorian Planning Authority,

We wish to bring to your attention an issue with the Amendment C145 to the Mitchell Planning scheme – Beveridge Central ICP.

Specifically, with Precinct Structure Plan (PSP) parcel ID #12. Identified in Table 11 Public Purpose Land Credit & Equalisation Amounts, Parcel #12 has no land identified as required in Public Land Purpose columns under either Transport, Residential Community and Recreation & Open Space or Parcel Contribution – Total.

However in APPENDIX 3 – TRANSPORT DESIGNS, RD-08 KELLY STREET, the NorthEast corner of our property - Parcel ID #12 has been identified as required for widening of the roundabout as can be seen in Drawing Number V181544-TR-SK-0201.

Can you please confirm if this land is required and if so the amount of land required needs to be identified and recorded in the Public Purpose Land Credit & Equalisation Amounts Table.

If you have any questions please call [REDACTED]

Kind regards
