

Summary:

The Victorian Planning Authority (VPA) is a State Government statutory authority governed by the Victorian Planning Authority Act 2017. Our focus is on integrated land use, built form and infrastructure planning outcomes for significant precincts and places in growing Victorian cities, suburbs and regions. We collaborate with key partners and stakeholders to deliver the Victorian Government's planning policies in support of urban growth, housing, jobs and transport options. We pride ourselves on our professionalism and our ability to overcome barriers and deliver great plans for precincts and places. This would not be possible without the best people and we ensure that every person at the VPA feels connected to our outcomes. We are committed to ensuring our entire team is supported, empowered and valued and we actively nurture a culture of continual learning and innovation.
