---

This Council do nothing now for rate payers, entry into town has nothing inviting, no slashing no nature strip mowing, our 6 houses have Bass highway frontage so not your standard nature strip yet after requesting council to mow was told it had to be 300cm before they would even consider it...and if they didn't have to do everyone's...we are all over our 60's except 1, so from now on I shall keep track of when I mow and council will get a bill, or I will deduct from our rates... Makes all the towns inviting first then do what you like, Korumburra, Kilcunda, Leongatha all have great entrances, tree lines and well kept nature strips... So take a good hard look tidy up the towns before adding more to it

Cheers [REDACTED]
