To whom it may concern,

I am a resident of the aspect estate in Greenvale, I received your letter regarding the Craigieburn West development.

While this is all well and good I would like to know when Greenvale received receive the infrastructure it needs. We have multiple new Estates coming up by the day however our roads are getting more congested day after day and it is taking longer and longer to go about our normal day our roads need duplicating this should be a priority.

Craigieburn has so much infrastructure yet with all these new Estates Greenvale does not seem to be getting the same treatment. When I first bought a block of land we were told they would be a shopping centre at Providence that was five years ago and still no signs of a shopping centre.

Mickleham Road needs to be a priority before any more estates are pushed in. It is sad to see all the beautiful nature being gobbled for estate after estate but I guess that's the way of our world.

I believe a greenvale shopping centre at Providence and the duplication of Mickleham Road should be a priority and it would be nice to receive some communication about that before a new suburb is created in Craigieburn West.

Kind regards
