Hi there i write to you as a home owner on pristine drive about the Craigieburn West PSP. As much as i think bringing more to the area will be great in the long run i know for a fact that our roads (Mickleham Road) will not be able to handle the congestion. Already the road is absolute mayhem in the mornings. Providence estate, Greenvale Gardens, The Maples and where i am Aspect estate only have 1 way out MICKLEHAM RD. Another issue is if the Craigieburn West is going to link up to horizon blvd you are going to be bringing alot more traffic flow into our estate and our estate will end up being a way to avoid some of

mickleham rd. You will be allowing cars not within our estate a pass through, you can only imagine how much louder and dangerous our family streets will become. There needs to be plans for Mickleham rd to be widened to help with the congestion we are already dealing with day to day not to mention the accidents that are being caused every morning as there is atleast 3 points in such a short distance where lanes go from 2 to 1.

Please consider what you will be doing for those living in Aspect estate we will be neighbours do not continue through to horizon blvd have a NO THROUGH ROAD, you will destroy our roads and estate.

I confirm that I have read and agree to the above conditions for making a submission.
