Hello

It is a shame that more schools and houses are being developed along Mickleham Road without any consideration towards upgrading this road.

This road was built in the 1800s and is still pretty much the same.

Thousands of houses are being built but nowhere for people to go because the roads are.

Please duplicate Mickleham Road before building more houses and schools. Otherwise we will have to leave the day before to get to work.

I confirm that I have read and agree to the above conditions for making a submission.
