duplication of mickleham rd all the way to donnybrook rd must be included in the works traffic from over development of housing with out key infrastructure additions has already pushed mickleham rd to capacity this project will push it beyond its limits. Mickleham rd was only every built for rural traffic and is crumbling in spots it won't be long until the band aid fix's no longer work and we end up with severe issues caused by lack of action.

**I confirm that I have read and agree to the above conditions for making a submission.**
