I suggest that the Lilydale by-pass road, which has been proposed for over 40yrs, off Maroondah Hwy, down Taylor Road and Melba Ave, needs to be constructed as a priority.

It will have great benefits in freeing entry/exit from the development site and Lilydale central and decongest traffic along Main St Lilydale.

With the eventual high population expected in the development site, the access roads, as noted on the plan, will be inadequate.

I confirm that I have read and agree to the above conditions for making a submission.
