Dear Sir/Madam

**AMENDMENT C193 – LILYDALE**

I refer to your letter dated 13 November, 2020.

Planning Scheme Amendment C193 has been examined with regard to the distribution requirements of AusNet Electricity Services Pty Ltd (**AusNet Services**) for the supply of electricity and it is noted that the area marked contains significant electricity assets supplying infrastructure and customers in Lilydale and surrounds.

The Amendment is generally satisfactory to AusNet Services Ltd, however, should electricity assets be required to be altered or relocated to avoid conflict as a result of the proposed Amendment, then alterations would need to be negotiated with costs for works to be borne by the applicant.

If you have any queries in relation to this matter, please do not hesitate to contact me on 0416 770 946 or email: [sueann.lowther@ausnetservices.com.au](mailto:sueann.lowther@ausnetservices.com.au)

Yours sincerely
