I have a huge concern about the traffic congestion on the Lilydale/Mooroolbark Rd. I can see the road from my kitchen window. Already at school time the road is bumper to bumper to the top of the hill waiting to get to Hull Rd, which is also getting another set of traffic lights. There is a Primary school in the Rolling hills Estate. Not upgrading the Hull Rd bridge is a huge mistake and so is not duplicating the train line now, while works are being done.

Also 2 more sets of traffic lights on Maroondah Highway? Maybe the station is on the wrong side of the highway?

And build the train station NOW in the Kinley Estate not maybe later.

**I confirm that I have read and agree to the above conditions for making a submission.**
