Kinley is a positive development for Lilydale and has been well thought through.

It has the opportunity to bring about something special for those who will make it their home.

PRECINCT 1

Maroondah Hwy & Mooroolbark Rd Corner

We have yet to see any artist's impressions or detailed drawings.

Our concerns are:

As you drive down Maroondah Hwy or Victoria Rd to the intersection any commercial buildings on the Kinley corner will spoil the view across to the ranges.

Lilydale is on the fringe of Melbourne. After Lilydale is the Yarra Valley and country roads to Warburton and Yarra Glen etc.

Why continue the urban sprawl so that one suburb blends into the other?

Lilydale still has its country town charm please do not blend us into the rest of Melbourne.

We live here, this is our home 24/7 we want your best, we want different, we want a green verge.

Kinley shows great promise.

I hope the entrance to it will be beautifully designed and of a standard befitting its vision.

Mooroolbark Road

This will need to be widened sooner rather than later.

Re the Rail Bridge Underpass

My experience coming back from a meeting in Croydon at 11.45am Saturday 12th December was to find when I turned left at the underpass the traffic on Mooroolbark Road was banked up to Landscape Drive. This very common particularly at peak periods.

On another occasion due to impatience at the delays we have seen reckless and illegal driving.

Lilydale By Pass

There is strong local support for this

PRECINCT 2

The plans for this look very good so long as the “Heritage Areas” are treated sensitively and (no offence) are not painted like the artist’s impression”.

Here is an opportunity to do it really well and of a high standard.

PRECINCT 4

Kinley Station is an excellent idea.

Great for Kinley residents

Will take the pressure off and congestion at Lilydale Station, station parking and Lilydale streets.

Other plans sound good.

Thank you for the opportunity to give our feedback.
