We would like to see the provision of a new railway station at the quarry site as a mandatory requirement for the development to proceed.

There needs to be improved infra structure particularly relating to roads, not just the roads in the new estate but the roads that will be used by residents. eg maroondah hwy, hull rd, Manchester rd, Lincoln rd, Dorset rd, especially the 5 ways intersection.

I confirm that I have read and agree to the above conditions for making a submission.
