**Write your submission**

I would like to submit my concerns about the proposed lights to be installed on Mooroolbark Rd at the Cnr of Churchill Drive and Landscape Drive. The traffic on Mooroolbark Rd is bad enough as it is adding many hundreds more cars will greatly exacerbate this, there are very long lines already trying to get under the Hull Rd bridge putting 2 sets of lights to back up the traffic will make this problem so much worse, it will also force people living in the area to find alternate routes which will mean substantially increased traffic going past Rolling Hills state school etc. Most of these side roads are quite narrow putting all the extra flow of cars through will no doubt increase the incidence of accidents and danger to school children. Please consider this very carefully.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes
