Can we please respectfully request that the appropriate road improvements are made to at least enable reasonable traffic flow. These intersections are already at capacity, and the introduction of construction and delivery vehicles once residential works begin will be significant not too mention once the new residents of Kinley Estate are in residence. They too need to have ease of movement in and around their home of choice.

IE: the widening of Mooroolbark Road bridge, turning lanes from Maroondah Highway into Mooroolbark Road, turning lane on Hull Road into Mooroolbark Road. And turning lanes into Landscape, Statesman and Churchill Roads.

and PLEASE let us know what you plan to do. The lack of communication on these matters is most disrespectful to existing community members.

Yours faithfully
