The proposed redevelopment will destroy the market and the community in central Preston. The density of dwellings is unprecedented, and far too excessive. It would be catastrophic for our neighbourhood character, livability, traffic and transport. The number of dwellings, density and heights must be reduced to respect the surrounding area and retain the areas unique character. This is not just for the benefit of existing residents and businesses but for the future residents who will live in the new development. They will need more light, space and access as well. I am also concerned that the heart of the Market will be destroyed by this overdevelopment. Please please listen to the council and the community and stop this gross overdevelopment. Development is fine but it must respect the people and the place.

I confirm that I have read and agree to the above conditions for making a submission.
