I strongly oppose this plan

The Preston Market is the heart and soul of Preston, as someone who lived in the area and now lives regionally these proposed changes would make it impossible for someone like me living in a rural area to attend. I understand an emphasis on public transport, but that is not possible for regional people who want to attend a market. There is also insufficient PT links in Metro Melbourne alone let alone the woefully neglected regional PT services.

The unprecedented housing density surely needs to be looked at, considering the changes to Melbourne's CBD due to the pandemic, the opportunity to use existing, vacant residential buildings that can bring life back to the CBD should be the main priority.

Please don't let profit, and the tag line 'creating jobs' destroy one of Melbourne's most iconic, diverse, cultural melting pots lose its identity and heritage.

I confirm that I have read and agree to the above conditions for making a submission.
