Seriously, you have got to be joking

20 Storey buildings, a market a third of the size, no parks, 6000 people in an area that is already tapped out for roads and a train that was already beyond capacity pre Covid. Shameful "artist impressions" of 5 story buildings when we all know they will be 20. Decisions made by Brighton residents who don't have to live with the consequences. Where is the parking for the elderly, the disabled etc? The car parks are beyond capacity on market days as it is. And whilst SOME people are able to negotiate a bus or train with a trolley, MOST AREN'T!

Overhang and shadow, destruction of amenity, over crowding, a complete loss of anything of benefit to the community. There is NOTHING here for the locals, this is a cash grab and it is

obvious brown paper bags have already done the rounds. The only answer is resumption by the State Govt for fair market price, the owner and yourselves kicked to the kerb and the land donated in trust to the council for the people. You have proven you cannot be trusted.

PRESTON IS A RESIDENTIAL SUBURB NOT THE CBD!

You should be ashamed of yourselves.
