I am adding my voice to the chorus of Preston Market regulars who are horrified by the proposed changes. Preston Market is part of the lifeblood of this suburb and it would be a deep failure of urban planning to see 80% of the existing market demolished. The Preston central precinct will lose its approachable, affordable and neighbourly atmosphere with significant consequences for trading and the ability for us to support small business in Preston. Having 20 storey plus buildings will destroy the heritage and identity of this important part of Melbourne's identity. Of course housing shortages need to be addressed but the Market is not the right option for that.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
