I wish to protest against this new development. As a resident of Reservoir this new development will remove my beautiful views of the city of Melbourne. The Market is a well known Melbourne icon where many people come from all over Melbourne (& regional areas) to complete their grocery shopping (weekly) from well established, humble, family businesses which have been running for generations. The reduction or removal of the market would be devastating for the area as there is nothing else like it in Melbourne that's consistently running (& has done so for years).

The influx of apartments & it's residents would over populate the area & ruin the unique quiet family charm of the area of Preston which is filled with residential streets & limited low rise town houses. The traffic, especially at the Murray/Spring intersection would become unbearable during peak times.

The development will not bring any benefits to the existing residents of the area &/ or existing businesses. I wish to strongly vote against these developments.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
