As preston locals that love the market, my family and I are mostly concerned about the population density and increase, the area is already difficult to travel by car and this will only get worse!

We are also concerned about losing our beloved market in its entirety, it gives amazing family time I don't want to see any of it go.

The proposed plan will take away so much heart and soul of preston, we will definitely reconsider our postcode if this goes ahead.

I confirm that I have read and agree to the above conditions for making a submission.
