Hello,

The Preston market is a special social hub for great and small. It's one of the most wholesome markets in Melbourne and is home to many stall holders that have been selling there for years. It's part of Melbourne's history. Destroying the market would destroy a part of Melbourne. It truly is special and it gone or even partly gone would see the hearts broken of so so many Melbournites.

Regards

I confirm that I have read and agree to the above conditions for making a submission.
