I strongly object to the planned demolition of Preston Markets into high density housing. The markets are the lifeblood of the community and the entire character of Preston. My family moved from Canberra to Preston and the markets and the diversity that comes along with it, have been the biggest draw card and the aspect that made us fall in love with the suburb and Melbourne as a whole.

Any plan to rush through these developments are against the wishes of the community as a whole.

Melbourne's culture has taken a huge knock due to Covid, to destroy the lifeblood of one of its proudest suburbs to line pockets of developers would cause irreparable damage to the suburb and City.

I confirm that I have read and agree to the above conditions for making a submission.
