Hello there,

I'm writing to object the proposal of future development of the Preston Market site.

I believe the market should remain where it is and not moved elsewhere on the site.

The election of new apartments on the land would inevitable affect the affordability of traders to pay rent for their stalls, increase the need for more car park spaces for the residents' visitors which could lead to paid parking spaces at the market area. As a nearby resident, this would increase the traffic congestions to the land, increase the uptake of public transport users and decrease the livelihood and vibe of the market.

Please reconsider the plan to build over and making changes to this historic landmark.

Thank you
