Just a general approval of the proposed works for the preston area.

I believe the Preston market area definitely needs to to be improved, the current proposal is perfect for the area and in fact needs a more significant (taller/iconic) structure.

I have compared the pricing of meats and fresh foods and they are not (cheaper/different) than those you purchase in shopping complexes or boutique stores.

It would be ideal if the the new structures connected to the train station and perhaps include some retail outlets coming out from the train station.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

**I agree to the Collection Notice**
