Submission regarding Preston Market Structure Plan (draft Amendment C182dare)

Reason: resident of [REDACTED] St

Preston Market was a large factor when I decided to move to Preston. It is a vital part of the community; a place to meet, eat and shop. The proposed framework fails to protect these social, cultural and economic functions and poses a threat to our beloved precinct.

I thoroughly support all requests included in Darebin Council's submission, particularly:

- Retaining the market in its current position and form
- Protecting the existing traders so they can continue to operate throughout the redevelopment and in the future
- Focusing on the environmental sustainability of the development, including an aim to be

solely powered by renewable energy, best practice water sensitive design and planting of trees to reduce the urban heat island effect

- Reducing the maximum building heights
- Ensuring that affordable housing is provided.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
