The plan for the market redevelopment is not in the best interest of the community. Any plan to reduce the size of the market is unacceptable. The market should operate as a market. There is plenty of green space available outside of the Preston markets.

Construction jobs are a short term sugar hit, long term jobs within the market should be prioritised.

I will not be voting Labor at the next state election if the planning minister approves the development with a reduction of market stall size.

I confirm that I have read and agree to the above conditions for making a submission.
