As someone who witnessed first-hand the Spin and Creative Language (and false promises) pronounced by those that get paid to 'persuade' the community into change in the lead up to the development of the former (wonderful) Moonee Ponds Market in the 90's, I can see through the glitter that is the assurances of 'better' with the Preston Market Plan. For starters its clearly going to be a traffic and parking and accommodation nightmare there, that will in time be Ghetto-like, as the Market loses all of its Heritage, its vibrant Culture and its Communal beauty in the shadow (quite literally) of this monstrous planned change FOREVER (as was the case at Moonee Ponds).

I confirm that I have read and agree to the above conditions for making a submission.
