I have been a resident of the City of Darebin since 1983 and have been shopping at Preston Market this whole time. I love the diversity, the multi culturalism, the vibrancy, the friendliness and the great food. I am a supporter of more housing for people who need support and struggle to find affordable housing but DO NOT support this overdevelopment because it will be impossible to create enough parking and the open easy access will be swallowed up by large and over whelming buildings. I believe we need to retain places like the Preston Market with it's history and charm in a fast paced world where profit over people has been dominant for too long.

I confirm that I have read and agree to the above conditions for making a submission.
