This development will remove the amenity of the area, reduce parking, and reduce reason to utilize the area as a place to visit and shop.

Without the Preston markets as the central hub of this area and community I would no longer have reason to go there. Particularly with a high rise apartment block ruining the skyline, it would simply become another soulless living area, and the only shoppers would be those in the apartments, in the style of Docklands where it is not pleasant to visit.

The history and vibrancy of the outdoor markets needs to be retained, and remain a draw card as does the Victoria Markets. Otherwise the area will lose the life of that strip of high st.

I confirm that I have read and agree to the above conditions for making a submission.
