I have been living in Preston for the past 4 years and represent one of many newly joined young families to the area. I love Preston for everything it offers especially the market as it is. The market is the heart of the community, the history and binds the young and new with the senior and old families of Preston. This is evident amongst the traders and the customers. I love the genuine, casual and humble layout, buildings and atmosphere of the market.

I'm incredibly disappointed in the VPA's plans and know that it will destroy the many families of the area and the heart of Preston. It will turn Preston into what it is not and should not become. To destroy and rebuild the market into something new amongst multi storey buildings and apartments is horrendous to imagine. I don't want to look forward to what it will be on future if the VPA plans goes ahead and if it does, it's so sad that my children will not

experience the beautiful current market, people and atmosphere as it is today.

I hope the VPA genuinely consider the opinions of local Prestonians- the people who are everyday part of Preston and the market. I appreciate that this submission is entirely emotional but the VPA plans have evoked a lot of negative emotions in many people including myself.
