I am against this intended overdevelopment of the preston market precinct. There are too many multi storey sites already in Preston. The Market development location should be limited in height and number of towers., if it is to be allowed at all.

The neighbourhood and community is over run with these types of developments. The reality is (even with parking allowances for prospective occupants) the excess vehicles clog up the neighbourhoods around each site. It is ruining the fabric and tolerance of the occupants in existing properties. I strongly object to the site in its current presentation.

I confirm that I have read and agree to the above conditions for making a submission.
