I am not in favor of this proposed development. It is a gross overdevelopment of the site, which will have detrimental effects on the community.

This development will no longer be a community place, more a cold concrete jungle.

There will be no market as we know it.

No community place to come together and shop, mingle and interact.

This is not what the community of Preston and Darebin want.

Please do not let this proceed.

Kind Regards

I confirm that I have read and agree to the above conditions for making a submission.
