Current market size and stalls should be prioritised. These jobs are long term and part of the community. The market is a market and does not need open space, there is a football oval literally across the road and a nice park 80m up the street. If you want to have open space the easiest way would be to not build high rise apartments on the precinct. Please do not do this. No reduction in market stall size/number of vendors.

I confirm that I have read and agree to the above conditions for making a submission.
