I am writing to state that I disagree with the proposed development of the Preston Market.

A: The market should remain where it is.

B: The current traders should be protected and the cultural heritage of the market preserved and not ruined by what will be a very ugly and eye sore development with not consideration of the Preston community.

C: I believe the building height should not exceed 5 storeys.

D: 20% should be for affordable housing

E: 10% allocated for parking space is totally insufficient

F: The world class design to buildings and open spaces should be adhered to.

I confirm that I have read and agree to the above conditions for making a submission.
