To whom it may concern,

We want this market to be kept exactly as it is.

I [REDACTED] have lived here in Preston for sixty years and I love the market.

Everything is fresh and for us pensioners, the prices are great and the market helps us be healthy in our old age.

My grandchildren and daughter often visit the market and we have lovely family memories of buying cannoli and having fun.

The market is not just for pensioners but young people too.

I really appreciate the interaction with others, the social aspect of the market and the workers are very friendly.

[REDACTED] family would like to add their say but not all of us

have the ability to use technology or have internet.

It has been suggested to move the market elsewhere but I require a market nearby to which I can walk to because driving causes me great anxiety.

Thank for reading and considering my email,
