Preston Markets are my where I buy 90% of my groceries. I think its absolutely perfect the way it is, and I am vehemently against any knockdown, rebuilds, or developments of the area unless it is necessary for safety or the owners of the stalls are asking for them. Preston Markets are the heart of Preston—what makes it special is that it is the community providing for the community, not that it's a shopping mall. Please think of the livelihood of the small business owners when proposing any development. The small business owners need council support and initiatives, not extra apartments, bike paths or building removal. Please don't go forward with this proposal! I refuse to shop at a gentrified market.

I confirm that I have read and agree to the above conditions for making a submission.
