As a Preston resident, we bought a home in the area in 2014, I have so many concerns about the redevelopment of the market. Something that makes the area so quintessentially Preston is the market, to change it in the way that is being suggested would damage the heart of the suburb. We didn't choose to buy our family home in Preston to live in an area with 20-storey buildings and apartments everywhere you look - there have been so many apartment buildings built over the last 3 years that it seems extraordinary that we should need any more.

As residents we would request:

No 20-storey apartment building.

Building on top of the market should be reconsidered.

More than 10% of the project should be given to open space as that is something Preston

lacks

The market should be kept where it is and reconfigured

More publicly accessible spaces

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
