I am concerned that this re-development will result in yet another "concrete jungle" like what occurred when the Moonee Ponds Market was demolished and replaced with high rise apartments and yet another shopping centre. I was a stall holder from 1979 until its demise in 1997 -it was a thriving place for fresh produce just as Preston Market has been. Yes it may need an overhaul but please do not lose sight of its essence and maintain its integrity or again stall holders and shoppers will again be robbed of something of value - additional parking improved signage etc but protect its heritage

I confirm that I have read and agree to the above conditions for making a submission.
