It would be a terrible shame to have the proposed developments implemented. The markets are the heart of Preston, a place where cultures from around the world meet to provide a melting pot of great food, new friends, and a vibrant atmosphere. I would like to see the markets expanded, not reduced, and high rise apartment buildings do not belong next to such a place. I have seen this happen before in a previous home and the obvious noise a market produces does not make for a great next door neighbour. Before long the market had to be shut down and the people who lived and worked there all became displaced, causing more grief for the council than the developments ever solved.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
