I strongly disagree agree with the current plans for the Preston market. I live on Mary street, so this development directly impacts my immediate environment. I attend the markets at least three times a week, and it is a vital community hub, a fantastic place to get fresh food, and an opportunity to engage with traders and locals alike.

The proposed development completely misses the heart of this space. This is NOT the space to jam more apartments. I don't believe this is suitable as a residential space in any way. This is a commercial and community space, and should stay that way. I am particularly opposed to the proposed heights of said apartments, and am very concerned that this is yet another poorly built and narrowly focused development.

My concerns are:

Overshadowing of the oval.

A loss of character. not the markets.

A loss of history.

A loss of open space at the market.

Visual clutter and lack of sky.

That the proposed space will not work for the community in the way the current space does.

A loss of trade of vendors.

Loss of vital parking spaces for the community.

Noise and traffic congestion on my street.

Lack of character and value in the proposed development.

I urge you to reconsider this proposal and save the markets.
