We do not need or want this monstrous plan in Preston. There is no infrastructure to support this size of project. High St and most roads around it is one lane going each direction. There is already traffic congestion on most days. Public transport is filled like sardines most days. Parking is only going to get worst. These shoe boxes will be a breeding place for virus and illness. There is not enough open space or parks to accommodate this amount of household. Many apartments in Preston are not at full capacity yet every new building goes up you can feel the pressure on roads and public transport. It is not a sustainable plan.

I confirm that I have read and agree to the above conditions for making a submission.
