I'd like to strongly oppose this proposed plan. I don't know how to adequately put into words the feeling of loss if this market was turned into a series of significantly large multistorey dwellings. I believe the look and feel of this community market will be lost. The open space and added density of people will destroy the market. I don't believe building for the sake of increased population is an adequate community compromise.

Please don't approve this.

Kind regards,
