Re: Preston Market structure plan

I strongly support Darebin council's position that the Preston market should not be repositioned or relocated, and that the heritage value of the markets are honoured and preserved throughout this process. High rise buildings should be reconsidered, and should not alter Preston's landscape. I would appreciate green spaces and adequate lighting that is not blocked by the development of new buildings.

I confirm that I have read and agree to the above conditions for making a submission.
