Dear Sir/Madam,

I live in Preston and am already frustrated as the amount of traffic on Murrad Rd. I can only imagine that such a development will make traffic worst.

I understand that this development will provide accommodation and work but I am already living in an apartment and can confirm that half of the apartment is empty.

This massive development is planned for failure and more funds and thoughts are to be put towards amelioratong the facilities in Preston making it more attractive. As mentioned, a lot of apartments around Preston are already empty and I have neighbours including myself who are ready to move out of Preston if such a project go ahead

Kind Regards,

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

No
